TERMINAL DISCLAIMER

Sir:

Your Petitioner, **tesa AG** represents that it is the owner of the entire right, title interest of and to the above-identified application. Your Petitioner hereby disclaims the terminal part of any patent granted on the above-identified application which would extend beyond the expiration date of the full statutory term of any patent granted on pending reference application serial no. **10/745,305** and hereby agrees that any patent so granted on said above-identified application shall be enforceable only for and during such period that the legal title to it shall be the same as the legal title to any patent granted on said reference application, this agreement to run with any patent granted on said above-identified application and to be binding upon the grantee, its successors or assigns.

Petitioner does not disclaim any terminal part of any patent granted on said above-identified application that would extend to the full statutory term as presently shortened by any terminal disclaimer of said patent granted on said reference application in the event that said patent granted on said reference application: (1) expires for failure to pay a maintenance fee, (2) is held unenforceable, (3) is found invalid, (4) is statutorily disclaimed in whole, (5) is terminally disclaimed under 37 CFR 1.321(a), (6) has all claims cancelled by a reexamination certificate, or (7) is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer except for the separation of legal title stated above.

The undersigned is an attorney of record and authorized to sign and submit this terminal disclaimer.

Respectfully submitted,
NORRIS MCLAUGHLIN & MARCUS, P.A.
